The best part? Your budget is a roadmap to achieving those goals, whether it involves saving for a down payment at a home, retiring more comfortably, or ensuring that your bills are covered each month. If you are serious about changing your financial life, this book can dramatically increase your budget literacy. Do you want to achieve your financial goals with accessible and simple habits instead of a complete lifestyle review? This is a beginner's book that explains a step-by-step process to help you develop your own budgeting habits and achieve your savings goals. "You Need a Budget" by Jesse Mecham. Photo courtesy: [Peter Cade / Getty Images] Like many of us, you may not realize exactly how well a budget can help you manage your daily life. The four rules of the book, which are easy to follow and thoroughly explain, will help you develop money management skills and turn them into powerful tools you can use to gain control over your finances. It will help you create a plan and feel inspired and motivated to make it all happen. What makes this audiobook suitable for beginners is all the additional content, you can get checklists, worksheets and many other resources to put the concepts into practice. Guide you through a variety of topics, including the first step you must take to roll the ball. Rolling.
