Fix you by ColdPlay-

When you try your best but you don't succeed,
When you get what you want but not what you need,
When you feel so tired but you can't sleep,
Stuck in reverse,
And the tears come streaming down your face,
While you lose something you never knew,
When you're someone but it goes to waste,
Could it be worse?
Lights will guide you home,
And ignite your bones,
And I will try,
To fix you,
High up above or down below,
When you're too in love to let it go,
But if you never try,
You'll never know,
Just what you're worth,
Lights will guide you home,
And ignite your bones,
And I will try,
To fix you,
Instrumental,
Tears stream,
Down your face,
When you do something,
You can't control,
Tears stream,
Down your face,
And I,
Lights will guide you home,
And ignite your bones,
And I will try,
To fix you.
