is the format that BIBLALTEX wants, and in this case I receive a mistake that the format of the date is wrong. wrong.

18/03/2021 : To download data from Scopus, choose the CSV or the BibTeX export option. (Do not choose the Download option!) Make sure that the data is downloaded in a '.csv' or '.bib' file and that all data elements are included. Although bibliometrix supports both file formats, we recommend the use of the CSV format. Scopus CSV file format The hyphen - is a punctuation mark used to join words and to separate syllables of a single word. The use of hyphens is called hyphenation. Son-in-law is an example of a hyphenated word. The hyphen is sometimes confused with dashes (figure dash –, en dash –, em dash —, horizontal bar —), which are longer and have different uses, or with the minus sign –, which is also longer and ... Getting help with UWA IT. The University Library is the first stop for IT support for undergraduate, postgraduate and overseas students at UWA. You can contact us over a range of channels or visit us, seven days a week during semester, including evenings and weekends. Many of these database companies use the same name for their file format as they do for their database (including Copac, CSA, ISI, Medline, Ovid, PubMed, and SciFinder). For the ability to retrieve citations from the particular databases (rather than the file format), please refer to the database connectivity table that is below this table. PREPARATION Use of word processing software It is important that the file be saved in the native format of the word processor used. Text must be in a single-column format, typed in Arial, font size 12 pt, using 1.0 spacing on a A4 (21 x 29.7 cm) paper. Leave a 2.5-cm margin on all sides. Keep the layout of the text as simple as possible. Your Paper Your Way We now differentiate between the requirements for new and revised submissions. You may choose to submit your manuscript as a single Word or PDF file to be used in the refereeing process. Only when your paper is at the revision stage, will you be requested to put your paper in to a 'correct format' for acceptance and provide the items required for the ... Medical referral is the act of sending a patient by one professional care giver to another, who may be a specialist and therefore be more knowledgeable in the diagnosing and further management of the patient. Most cases of referral of patients is therefore for proper diagnosis, adequate investigations and their proper treatment by the receiving specialists. For references to in press articles, please confirm with the cited journal that the article is in fact accepted and in press, and include a DOI number and scheduled online publication date. Posted preprints that cover important developments relevant to your work may also be included in the References list with appropriate identification information and an independent persistent ...
