Colregs rules of the road free download pdf

Colregs rules of the road free download pdf.

All the rules of nautical road in our essential fast reference nautical app. Look at the rules, learn the rules and try yourself. Used by seafarers worldwide. Quick learning tool and review, over 100 graphics, for all seafarers around the world."...a brilliant and reference training device".... excellent graphics, first class clean design and accurate information... "This nautical, sailing and nautical app provides all skippers, sailors, sailors and fishermen with the essential knowledge of rapid reference they need to interpret quickly what they are doing other ships, which have the right to road and what actions should take to prevent a possible collision, as specified by the IRPCS ColRegs of the Road "Steering and Sailing Rules", and sections "Steering and Light Signals". ****Downloaded & used by thousands of seafarers in the United States, Great Britain, Australia, France, Canada, New Zealand and more than 50 other countries [Bleep]*Be off the water or on the shore, in light of the day, darkness or poor visibility, just open the app & search for rules in seconds to find the appropriate rule and definition. - No internet connection required.- Simple, easy to use navigation for quick reference. - Each rule and definition available at the touch of a finger.- Illustrations cleverly designed accompanied by clear descriptions and concise of all rules. There are 4 main sections to this application:1) A graphic reference guide that illustrates most of the "Swimming and Sailing Rules" in 29 easy to follow illustrations. Each illustration has a double caption explaining the rule. For more detailed information, drop-down captions reproduce the appropriate rule in full.2) Marks:The "Segnali Segnali Segreti e Luci" in 37 easy to follow illustrations. This section also includes Annex IV of the ColRegs, which details the "Rescue signs" used in the sea. Each illustration has a double caption explaining the rule. For more detailed information, if appropriate, the drop-down captions reproduce the rule in full.3) ColRegs:Steering and Sailing Rules (Regulation 4 to 19) and Part D: Sound & Light Signals (Rules32 to 37) & Annex IV Distress Signals are reproduced in full.4) Test Yourself: A number of multiple choice questions with 28 rules graphical representations helps you control your knowledge, as well as access to our online boat quizzes. That's not right. FEATURES AND BENEFITS That's not right. Easy learning tool and reference review for day skipper and boat pilots- More than 100 custom graphics for better visual experience Searched and produced by nautical and marine experts for accuracy Positive evaluation by professional drivers for reliability. Section"Test Yourself" [Bleep] [Bleep] [Bleep] THE COMMUNITY OF BOATING "I liked the general feeling and simplicity of the ColRegs Rules of the Road app "Very easy to use, I would like to have it when I was a day skipper!" "We're doing a training center and these applications are a great reminder for our students." I've got it.downloaded and I'm using the ColRegs Nav Lights & Shapes app, a brilliant training and reference device." I was so impressed by your Nav Lights app that I bought and downloaded it immediately. ""I deleted another app that I had in favor of your."... excellent graphics, clean first-class design and accurate information..."""He was looking for a replacement for my Lightmaster and Fogmaster and I just entered itouch users and found your App! There's nothing to match!" Beautifully produced and very simple to use, a fresh learning tool" Good app for anyone to use, much easier than flip card""""For the few pounds, literally, that apps cost that I think they were a great value for money. ""The App is an ideal memoir for those responsible for a ship at sea, from the smallest dinghy to an ocean that goes supertanker. "OTHER APPLICATIONS IN THE SERIES... ColRegs: Lights and Shapes provides an in-depth coverage of the ColRegs rules from 20 to 31 - IALA Buoys & Lights - covers both IALA Systems A & B. This app can be used worldwide! Jun 2, 2019 Version 8.2.2 The latest updated nautical rules of the road, for all seafarers, now with access to our wide range of test-yourself quizzes. This covers everything, and it was useful for my skipper exam. I keep it on my 'telephone and it is useful to refer to how it covers all the rules of navigation of the road, as well as sound signals, for example vis, anguish etc. Good value, and beautiful clear graphics. I like to have the rules of nautical with me when out on the water, and that does what it says on the box, and it does it well. Better than others I looked so worth it. Amazing graphics within this application: I could ogle all day! It helped me to distinguish shapes, colors, sound signals, positions and signs for most water structures like boe and headlights. It has all the information about buoyage in both regions A (Europe) and B (USA, Japan). The test is great for testing other crew members during a round of drinks or skipper companions. You won't regret it. The developer, The Other Hat, has not provided details about its privacy practices and data management to Apple. For more information, see the developer's privacy policy. The developer will be required to provide privacy details when they send their next update app. Developer site App Support Privacy Policy Use on all Seagoing Sail and Power Vessels - Sail boats, motor boats, fishing boats and all commercial Vessels worldwide." a brilliant training and reference device." excellent graphics, really clean first class design and accurate information...
