ItÅ, Å »Sa (a lot) Long (difficult) Road to the top Harland Sanders was born in 1890 in Henryville, Indiana, the United States. When you know your destination is a success, but I don't know what you want to do or how you will do it, you just have to keep trying anything and repeat and repeat. You can't blame him to have tried because it has practically all the job as possible as if it were the star of AÅ ¢ Facy Realty Show on Netflix until KFC was a shot. The Sanders have been fired from more Dummy F ** King Johnathan's work outside the Mannequin film and usually for some truly stupid motifs! The Sanders was the family cook at the age of seven Sanders Father Wilbert Sanders died when he was only five years old, which meant that everyone had to enter. Harland ended up drawing short straw and having to cook family meals every day to the old age of seven! I don't know about you, but I couldn't even make a school lunch at that age. It may have been worse even though he could get the work of cleaning the family s ** T home. Source |. Report to the age of ten he decided to move forward by the Slave of the Chef family and go to work on a local farm. While Sanders Mumum returned here and everyone had to leave away, but the sanders did not agree with his father-father and was at our home. At thirteen he went to work on another farm and decided TP Quit School all because he hated the algebra. While on the farm he worked as a strange-work man (boy) and nourished animals. Here is where everything becomes interesting ... relationship to the age of 16 sanders began as a conductor conductor, but soon it was submerged with the one that lied of his age to join the army. After just a year he was resigned and became a railway firefighter he was fired to go to the bathroom (yes, really!). An insurance seller, a ferry operator who had to leave because a bridge was built along the Road that put it out of the business ... while you do these many different jobs he managed to meet and marry the king of Josephine, who had three children, two Margaret and Mildred daughters and a son named Harland JNR. The marriage was not easy with the sanders that plays the roulette of work and eradicating the family occasionally. Life was hard. While everything was happening above, he was also studying to be a lawyer, of which he exceeded the bar and actually worked as a lawyer until he was arrested and excluded from the law practicing by defined. This because it has entered a fist fight with your client while he is in court. You couldn't really do this s ** t! When Will Harland Sanders takes a break of God-damn? Report time at the 30 Sanders Age has taken it and there was no more ** TÅ ¢ à,~ | Well, unfortunately it was not the case because he returned to work as a toilet cleaner on the railway. Then on a mathematical being, yes, you read correctly and many other works in which he would have finished having to give up. Because of the misfortune or be fired for something completely stupid as the fight, that he did once again! Source |. He still reports another new job and new beginning in the end he found himself selling tires. While in this short career he ended up falling and surviving 42 feet fall when a bridge collapsed while pulling his son's car Harland JNR! He was eliminated, he would destroy his arm open and fractured his arm. The spectators wanted to call a doctor, but sanders even if he was broken, black and blue everywhere had nothing. Parly Harland JNR. He would die of complications caused by blood poisoning from a tonsillectomy. The beginning of those famous fried chicken sanders has once again resumed and he sprinkled and emptied and continued to manage a shell service station. He started selling cooked food and had a great reputation for it that would inevitably attract the competition. Once again it wasn't long before the s ** tuck the fan when a rival station owner in front of the road started Sabotage the Sanders Operation by painting his advertising signs and directing business. The Sanders do not take this lying down and threatened the subtle owner who shoots him if he has ever tried that shit, which he did! Source |. Relationship there was actually a Spanish and the other boy of the station is successful to shoot one of the Sander workers before and killed. The Sanders grabbed his gun of dead workers and turned back, but wounded only the bag of the saboteur douche bag. Although everyone has been arrested Sanders took because he was an act of self-defense. He just thinks that if the Sanders were fired and killed or went to KFC prison would never have existed! It's all gone S ** T! He thinks that now the main competition of him was out of the image that was simple in navigation from now on. He was successful for a short time that sells a delicious fried chicken and gave the highest honor of the title Kentucky title À ¢ ~ Å colonelÀ ¢ à ¢ from two governors. Then everything went to s ** t again. See a new motorway was built and has deviated all traffic from Sanders station / chicken store. He had to sell and lose a lot of money. He was now at age 66. Think of that era in which he surrenders and surrender retired, but it's not the way of Santa Sanders. Never give up, don't give up The source | Report Sanders once again was unemployed and timeless, but this time they give him a final test. Living in the car would like to travel in the south by offering its famous recipe of secret spices with a licensing deal for local restaurants that wanted to give an old boy who lived in him with a stove and a lot of chicken. He paid ... finally. Does Sanders finally? After a lifetime to try a million million Until you find the right one, Sanders's hard work is finally started to pay. Now they were in the 1960s and the Sanders were now in his 70s and had managed to free hundreds of restaurants. The Sanders also knew of marketing and used the image of him like mascot and the logo for the fried chicken of Kentucky and would not exclude in public without his dress and the white tie of the brand. Ratio obviously no, this is Colonel Sanders remembers, things are not so easy. It wasn't long before two millionaire cat billion John Y. Brown and Jack Massey wanted a piece of action. After weeks of pressure for sale, Sanders gave and sold the fried Kentucky chicken for \$ 2 million and also took an annual salary, but he has never been really happy with the agreement. Source |. Report Sanders vs KFC and numerous portraits Although Sanders had sold the company, Jack Massey believed that Colonel's face was a large part of the KFC and still wanted Sanders to be the spokesperson for the company. He would still have TV, interviews and be the face of KFC even though he has not been in control, which must have been rather heartbreaking. In the early 1970s the current owners had now sold the company to Heublein Inc. and this p ** Sanders is out of the great time because he was worried that they would change the secret recipe. They didn't go but they transferred the KFC headquarters from Kentucky to Tennessee and starts uploading a franchise fee and took a percentage of sales instead of the old style way to take a nickel for chicken. What did Colonel Harland Sanders do next? Source |. Report went on and opened its rival fried chicken restaurant called Colonel Sanders - Dinner House that P ** Sed Off KFC so much they threatened legal action. So the Sanders then revered the Colonel Lady dinner, but KFC was powerful again p ** sed and said he owned the word rights À ¢ à,~ â "colonelÀ ¢ à,~. Then things fell by hand and Sanders tried to KFCs for \$ 122 million and kFC neutralized with a case of infringement of trademarks. Both parties have settled outside the Court in 1975 for a non-disclosed amount. This time a fight didn't take place! Oh no, not again! KFC Although still very respect for sanders, mainly because it was the living and breathable logo of their empire. In 1978 he was back in trouble telling a newspaper that thought the sauce knew a wallpaper paste, but the case was thrown out of range. The Sanders continued to work with KFC after all the shit that they had both go ahead until he died in 1980, where he leaned unfortunately his life in leukemia at the age of 90. Source | Report the KFC we know today and tardisization B ** of the mascot since Sanders Death KFC has gone ahead to become one of the most successful fast food giants in the world with thousands of restaurants worldwide. Unfortunately they have a little ruined the reputation of the late Great Colonel using the image of him for some rather terrible marketing choices like dance cartoons, fantasy design costumes and more like Robocop and Djing at the Ultra Music Festival festival. There is only one colonel Harland Sanders. We really respect and admire your spirit! Source |. Report reports.
