Reviews and reviews Rating: 3.5 / 5 Based on 34K + reviews (*) It is required 3 Å ¢ ~ ... To consume many data, I just read 3 Chapter Manga and this app uses data from 400 MB, what C 'Is it wrong? Please correct on this, add a setting image to save more data, another futur is good. 2 Å ¢ ~ ... for the longest time before updating this app yesterday I had no problems using it, but when I updated it yesterday all the mangas who have a mature tag in them are blocked without explanations, and I tried To ask for people working on this app for help, but they do not respond to IVE e-mails and sent via FB and all the problems of shooting problems Ive since the day people do not help me at all 4 Å ¢ ~ ... 1 The only reason for which it is not 5 is because some mangas go blocked for no reason and then it's not unlocked a couple of days later. Ruin only the reading experience. If repaired, it is 5 star safe. 2 Å ¢ ~ ... New update has blocked a manga. Also, how can I view a thread of entire comments? It is difficult to connect the points with the new comments section. 4 Å ¢ ~ ... I love the app but also some problems ... iPhone UI has become GAL during download and passing to other apps. So this problem is a more serious problem than meeting, the app is sometimes locked when I open it and restart my phone, I hope you can solve this problem 1 Å ¢ ~ ... what the hell with this new update, give me I My favorite mannals that are blocked. I want to read from starting up. 1 Å ¢ ~ ... serious Que Agora Voches BloqueiaIam MangÅfÅjs ?? POIS Parzia atÅf Å © Mesmo Piada, Capaz Que You DispersiÅjr by memory DO Meu Celular with Ess App De Novo. (Como if Alguem foi troxa pra manter um app de leitura de mangÅfÅjs, que nÅf É or permission or mesmo) 2 Å ¢ ~ ... I was going to give a 4 but then the app deleted all the My favorite manga, but when I go to look for them again, they don't show up at all. I tried British and Japanese names and even tried to put the name of the authors. 5 Å ¢ ~ ... thanks to this app I can enjoy every manga I can grasp. I use it for about 2 or 3 years and have improved so much and love that I am still in it by improving the user interface also to whom they care about creating a community and the more ejoyable thing is that super fast manga. Also you can save your favorite backup and if you go from your mobile it is easy to recover all your things. There is still room to engrave to a sink where even if they put it behind a pay wall I would buy it for sure. 1 Å ¢ ~ ... not happy with the last update. Blocked most of my favorites that I kept track of no notice. Very frustrated. 1 Å ¢ ~ ... The same problem happened again ... I can't access my downloaded since it was blocked again and I can't download some of the mangas * wink * 1 Å ¢ ~... What happens with sudden blocked mangas? I have More than half of my favorite list! 1 Å ¢ ~ ... the app has been fantastic, but due to the last update most of my manga has been blocked, letting you learn almost nothing. Once solved, adjust my evaluation. 2 Å ¢ ~ ... Please let us unlock the mangas. There are a lot of mangas who are stuck and most of them are those who are starting to become popular. I hope this problem can be solved as soon as 2 Å ¢ ~ ... blocked my manga so I'm really annoyed since they are really good ones! Please correct it quickly !!
